Jaime –

As we discussed yesterday, please respond by Noon PT tomorrow to our request for Droplets to comply with Judge Tigar's Order confirming claim construction (Dkt. No. 749) and to drop the Yahoo accused products that "use cookies" and the other products that do not comply with the Order as further set forth in Kevin Anderson's letter sent earlier this week.

This timing is necessary in order for Yahoo to properly and timely prepare its pretrial materials to defend this case and to assess whether to release certain witnesses, drop certain exhibits, revise jury instructions and brief additional motions in limine as well as other motions.

We look forward to hearing from you tomorrow.

Jennifer
